

# First Lieutenant Alixandra R. Valenti

## Comm Co Operations Officer, CLR-17

### 1st Marine Logistics Group

### 1st Marine Expeditionary Force

---

First Lieutenant Alixandra R. Valenti graduated in 2019 from the United States Naval Academy in Annapolis, MD, with bachelor's degrees in English and Science. She was commissioned in May 2019, graduated from TBS, in April 2020, and graduated from Basic Communications Officer Course (BCOC) in December 2020.

After completing BCOC, Lieutenant Valenti received orders to Communications Company, Combat Logistics Regiment 17 (CLR-17), 1st Marine Logistics Group (MLG). In January, 2021. She is currently serving as Communications Company Operations Officer.

First Lieutenant Valenti's running experience began in 2011 when she joined the Penndale Middle School run club – competing in 2 mile and 3 mile races against local schools. She soon joined the North Penn High School Track and Cross Country Team in 2012, making the Varsity Team her freshman year. While on the team, she completed 12 seasons continuously all four years of High School. She ran cross country in the fall, indoor track in the winter and outdoor track in the spring. She earned Varsity letter awards and All-league Laurels all four years while also serving as Team Captain from 2014-2015 for both cross country and track.

After her High School career, she was recruited to the United States Academy for cross country and track. She ran Division I all four years at the Naval Academy competing in Patriot League and NCAA Regionals all four years of cross country. During her competitive cross country seasons she earned Second Team All-League in 2015 and First Team All-league in 2017.

Lieutenant Valenti currently runs for the All-Marine Running Team and although new to the team, will be competing in the 2021 Marine Corps Marathon in October and the Armed Forces Cross Country Championship in January 2022.
